

XIAMEN BAIDAO SILICON POWDER CO.,LTD

3N Silicon Powder >99.9%

BAIDAO silicon powder manufacture and sale silicon powder at competitive prices

3N Silicon powder purity >99.9%

3N Silicon powder Sample: 50g free sample (<mailto:baidao@siliconpowder.net>)

3N Silicon powder MSDS: [Email MSDS](#)

3N Silicon powder Price: [Request a quote](#)

3N Silicon powder size range: 1 μ m-100 μ m (Customizable silicon powder size)

3N Silicon Powder Properties (Theoretical)

silicon powder formula	14 Si 28.086
silicon powder Purity	99.9%
silicon powder Particle Size	plasma spray grade
Boiling Point	2355 °C
Protecting print head	Retail tag
Density	2.329 G/Cm ³
Electric Conductance	0.1 Microhm-1
Crystal Structure	Diamond
Application	Plasma Spray Semiconductors
Form	Silicon powder 99.9%
silicon powder size range: 1.5um, 5um, 10um, 20um, 43um, 46um, 61um, 74um, 104um.	

3N Silicon Powder Parameters

Trademark		3N-A	3N-B
Main component Si, not less than(%)		99.93	99.96
	Al	0.02	0.01
	B	0.002	0.0015
	Ca	0.005	0.001
	Cr	0.005	0.0015
	Co	0.001	0.0008
	Cu	0.005	0.001
	Fe	0.02	0.01

	Ti	0.003	0.0015
	V	0.001	0.0006

Silicon powder packing

Silicon powder and silicon metal powder can be delivered in bags.

Silicon powder Sample Available & Policy

We manufacture silicon powder broad range of sizes from our factories, Samples are available at a cost, and always handled and delivered as quickly as possible.

Silicon powder manufacture dateils:

BAIDAO SUPPLY CHAIN CO.,LTD

Add: Room 501, No.591 Qishan North Road Huli District, Xiamen

TEL:86-0592-5634589

FAX:86-0592-5628438
